

Y4 Homework

SURVIVAL

You have a homework book to use to complete your writing, maths and project homework. Maths is to be completed at the back of the book and writing and topic to be completed at front of the book.

Due date: 22nd May

Children need to bring their homework books in every **Wednesday**.

MATHS

1. Log on to Times Tables Rock Stars to access homework tasks

Children will be tested each week on their times tables and division facts - they will be told which ones to learn by their teacher. Certificates will be awarded in assembly to children who are successfully meeting the challenges set by the class teacher.

If your child is unable to access the internet, Rock Star Club will be available to children in school once a week on Thursday.

2. Look at the Maths Home Learning Activities to support your child in maths.

READING

Each day the children are expected to read at home and have their reading journal or record signed by an adult. A badge will be presented in celebration assembly for those who have completed 30 reads or have read 6 chapter books. Children should be reading for at least 15 minutes every evening or morning. **Due Date: Every Wednesday.**

Please try to support your child with their learning at home, as homework is given to reinforce the work your child is doing at school.

SPELLING

A spelling rule and words will be given to the children fortnightly linked to the national curriculum. They will be tested in class on **Friday**.

Find out the meaning and spelling of these topic and science words. Then write the word in a sentence in your homework book.

Topic Words

habitat
shelter
survival
wilderness
environment

Science Words

vibrate
pitch
volume
insulate
source

WRITING

Complete at least one of these writing tasks.

1. Write a first person diary as if you are a Neanderthal living at Creswell Crags.
2. Luti and the Wolf: Rewrite the part of the story where Luti's dad and brother come home and discover that she has killed a mountain lion!
3. Design a persuasive leaflet encouraging people to visit Creswell Crags.
4. Write a survival guide for how to survive in: the desert, the Arctic or the rain forest.

SURVIVAL TOPIC PROJECT

Complete at least one of these topic activities:

1. Make your own shelter.
2. Dress up as a Stone Age person and take a photo.
3. Make a Stone Age tool.
4. Draw a picture of a Stone Age animal in the style of a cave painting.

Try these two websites at home to research information about the Stone Age and survival.
