

Y5 Homework

You have a homework book to use to complete your writing, maths and project homework. Maths is to be completed at the back of the book and writing and topic to be completed at front of the book.

Due date:

Children need to bring their homework books in every Friday.

MATHS

- Log on to Times Tables Rock Stars to access homework tasks

Children will be tested each week on their times tables and division facts - they will be told which ones to learn by their teacher. Certificates will be awarded in assembly to children who are successfully meeting the challenges set by the class teacher. If your child is unable to access the internet, Rock Star Club will be available to children in school once a week on Thursday.

- Look at the Maths Home Learning Activities to support your child in maths.

READING

Each day the children are expected to read at home and have their reading journal or record signed by an adult. A badge will be presented in celebration assembly for those who have read 6 chapter books. Children should be reading for at least 15 minutes every evening or morning. **Due Date: Every Friday.**

Please try to support your child with their learning at home, as homework is given to reinforce the work your child is doing at school.

WRITING

Complete at least one of these writing tasks.

- Write a story about the rise of the Roman Empire
- Write a poem about a Roman Gladiator
- Research about a Roman Emperor of your choice and write a report about it.

SPELLING

A spelling rule and words, linked to the national curriculum, will be given to the children fortnightly. Find out the meaning and spelling of these topic and science words. Then write the word in a sentence in your homework book.

Topic Words

Civilisation
Invade
Empire
Auxiliary
Legionary
Pantheon

Science Words

Planet
Sun
Solar System
Celestial Body
Sphere
Rotate

ROMANS AND PLANETS PROJECT TASKS

Complete at least one of these topic activities:

- Make or design a model of a Colosseum.
- Draw a diagram of the solar system and label all the planets.
- Make a model of the Earth being orbited by the moon.
- Produce an drawing of a Roman Emperor

Try these two websites at home to research information about Romans.
