

Y6 Homework

You have a homework book to use to complete your writing, maths and project homework. Maths is to be completed at the back of the book and writing and topic to be completed at front of the book.

Due date:

Children need to bring their homework books in every **Thursday**.

MATHS

1. Log on to Times Tables Rock Stars to access homework tasks

Children will be tested each week on their times tables and division facts - they will be told which ones to learn by their teacher. Certificates will be awarded in assembly to children who are successfully meeting the challenges set by the class teacher.

If your child is unable to access the internet, Rock Star Club will be available to children in school once a week on Thursday.

2. Look at the Maths Home Learning Activities to support your child in maths.

READING

Each day the children are expected to read at home and have their reading journal or record signed by an adult. A badge will be presented in celebration assembly for those who have read 6 chapter books. Children should be reading for at least 15 minutes every evening or morning. **Due Date: Every Thursday.**

Please try to support your child with their learning at home, as homework is given to reinforce the work your child is doing at school.

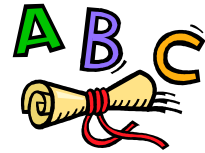

WRITING

Complete at least one of these writing tasks.

1. Write some instructions about what to do in an air-raid.
2. Write a letter home from an evacuee.
3. Design a leaflet about the benefits of healthy eating and exercise.

SPELLING

A spelling rule and words, linked to the national curriculum, will be given to the children fortnightly.

Find out the meaning and spelling of these topic and science words. Then write the word in a sentence in your homework book.

Topic Words

Britain
Europe
Military
Evacuation
Civilians
Allies
Axis
Rationing
Discrimination

Science Words

Circulatory system
Blood vessels
Heart
Lungs
Oxygen
Nutrients
Exercise
Lifestyle

WWII AND Animals inc. Humans PROJECT TASKS

Complete at least one of these topic activities:

1. Make a fact page about the human body: draw a human body diagram and label all the body parts and muscles and describe the circulatory system
2. Research one of the influential characters of WWII (e.g. Hitler, Chamberlain, Anne Frank etc)
3. Make a model of a WWII shelter
4. Make a poster to encourage people to have an active role in the war effort - e.g. 'make do and mend'.
5. Cook a rationing recipe

Try these two websites at home to research information about WWII and Animals Inc Humans:
